

Increasing Service to our TOPS Chapters

ARKANSAS FIELD STAFF WANTS YOU!

As we travel through 2012, it's apparent that our members need you! We want the road to success to be a great year for our Arkansas TOPS members and chapters. Increasing team work between field staff and chapters plus increasing support to chapters from your field staff, will lead to all TOPS members benefiting, achieving their goals and living healthier. We have open areas where we need someone to assist our chapters.

I have listed areas below where we need to expand or fill open slots to focus more on member and chapter needs. We are looking for members interested in becoming a Field Staff Team member. WE NEED YOU!

Is a field staff position for you? If you enjoy working with others and providing service, such as visiting chapters and forming new groups and being a part of planning events such as SRD, then this is for you. You will find this to be a rewarding position. It's a great opportunity to feel involved and provides a wonderful service to our members.
