March 2011

To All Chapter Leaders and Members,

I hope everything is going good and you have started the New Year with a good weight loss toward goal or maintaining.

We made it through the blizzard of 2011; I'm hoping that is the only big snow we have. I was off work for 3 days and only got stuck one time, out in the street in front of my house coming home from work.

Well I had my first funday for 2011 in Oklahoma City area, an area I share with area captain, Patty Pappan. It went very well. My next funday for southeast area is April 2nd hosted by TOPS #OK591, Poteau. Then southwest area is April 16th hosted by TOPS #OK041, Chickasha. I hope to see everyone at funday in your area. I still need a chapter to volunteer to host funday in summer (August) and fall (October) in both areas, so if your chapter is interested let me know. The hosting chapter doesn't have to provide lunch, we can brown bag it like we used to.

Remember SRD (State Recognition Days) is up coming our date is May 13 & 14, 2011, theme is TOPS Goes Country. It will be held at the Renaissance Tulsa Hotel, 6808 S. 107th E. Ave., Tulsa, OK 74132. Hotel is located at 71st Street and Highway 169. Thank you in advance for getting all the necessary forms to the correct persons, Paula for events and money to OK TOPS SRD treasurer who has changed to Kathy Journagan. I hope to see a big group. I have a lot of members that have stepped forward to help. Thanks for your time and help.

Elections will or have been held and new officers will soon take over I have started chapter visits with a new program. Remember if the date I have selected for your chapter won't work let me know and I will reschedule your visit. I want to get everyone done during daylight saving time, so I can drive home in some daylight.

TOPS care

Wayne Rice

TOPS Area Captain

Enclosure: funday invitation for southeast only
