

Bridget March Newsletter 2011

Dear Friends,

“Wings of Change” is coming soon!!! Our State Recognition Days in Beaumont on April 7 for early registration and April 8-9 for workshops and sessions will soon be here!!! And I am so looking forward to seeing you.

With your chapter election over, I know that you have chosen a great slate of officers who will work well together in the best interest of your chapter. Please make sure to send your completed officers’ chart immediately to our Coordinator Caryl Pfeiffer, 380 Hargrove Lilley Lane, Cleveland, TX 77328-5519.

In a recent mailing from headquarters your leader was sent two copies of the newly revised Chapter Guides. One copy is for the Leader to share with all officers and members on request and the other copy is for the weight recorder. Please destroy all old copies of the Chapter Manual that maybe in the possession of any chapter officer or member. If you wish additional copies, these may be ordered on the L-017 as item #T-199 at the cost of \$2.00 each.

So happy the weather is warming and heading toward Spring. I think everyone becomes happier when the leaves start turning green and plants start sprouting. The weather just happens to go with our SRD theme “Wings of Change”.

We are celebrating our 2010 winners who are emerging from their cocoons and embracing their new lighter bodies. I hope you will be among the people in Beaumont, helping share in there joy as they spread their wings and share there triumphs with us.

A gentle reminder: Please cancel any rooms you will not be using for SRD, especially those made at the Holiday Inn. We have several chapters on stand by list for those rooms and we would appreciate your efforts to release those unneeded rooms immediately.

See you lighter,

TOPS Love,

Bridget
