

March

Please read at your next chapter meeting. Thanks, Caryl

March seems to have roared in like a lion, and as we “spring forward” by setting our clocks ahead one hour, surely Spring cannot be far behind. Hopefully you are recovering from the icy winter that we experienced. Again thanks to all those that held Open Houses in spite of the incumbent weather. We had former members return plus new prospects that have joined. May this year be your best ever and your experience in TOPS a most rewarding one. If you are not already involved, volunteer, it will be sure to shock your new officers. Remember they cannot move the chapter forward without the help and cooperation from all members. Each one of you is an important part of your chapter success. Due to the bad weather many chapters were unable to meet and possibly some have forgotten to renewal National Memberships. Could you please check to make sure that all attending have not let there membership lapse. THANKS!

Having completed your elections, thanks to all who have already sent in your complete Officers Chart (form L-001). With the changes made on the new Officers Chart your chapter Designate is now listed directly on the L-001 chart. There are definitely advantages to having an email contact for each chapter along with a chapter designate. If your chapter sent in your officer chart without listing a designate you may call, email or snail mail me the name and email of your designate and I will add that information to your form.

For various reasons we know that not everyone is able to attend SRD. But we do sincerely appreciate your support from all those who have volunteered their time and talent. Of course I know that some chapters are limited in their funds but it shows how compassionate TOPS members are when they share what they have. In case, you have misplaced the information for making monetary donations the information is as follows: Make your checks or money orders payable to Texas TOPS SRD and mail to our TX SRD Treasurer: Clara Gleghorn, 3515 W. Louisiana Ave, Midland, TX 79703.

SPECIAL REMINDERS:

1. As we are making the final preparations for SRD would you please cancel immediately any rooms that you will not need for SRD. The Holiday Inn Hotel & Suites as well as those surrounding hotels have waiting lists for those needing rooms during our SRD convention.

2. Leaders: Don't forget the survey available in the Leader Corner at www.tops.org. Deadline for completing this survey is May 31, 2011. Let's try to have 100% from our area.

Looking forward to seeing you at SRD.

Till then, Remember I Care,
