

MARCH

Hello to Everyone,

I hope all of you have had your chapter elections and sent your L-001 Officers Chart to Kay. Good luck to the new officers and also to the ones that stayed on. Thank you for stepping up and helping in any way for your chapter. There is always room for everyone to do something that is what makes for a good chapter.

SRD is just weeks away, I hope you are planning on being in Beaumont April 7th for early registration and April 8-9 for the Workshops and sessions. It is always so much fun to run into old friends and see how they have been doing. Please cancel any rooms that you will not be using for SRD. So others can take their place.

I will be visiting chapters after April, so if you would like to let me know when you would like a visit email me or call and I will get you down for it.

As most of you know I have had a bad start to 2011, my husband passed away Jan 12. As you all know I said that my TOPS chapters would be there for me and they sure were. I have received so many cards from all over Texas and they were so appreciated. I have got to go thru them again and read all the wonderful things that was said. I found this somewhere and thought it fit the time.

There is no measuring cup or scale
Large enough to measure or weigh
The support of your friends in TOPS

How true this saying is.
I love you all for being there.

Jackie
