I recently visited # TX 1522, New Caney, and would like to thank them for having me. I have completed all my chapter visits and looking forward to starting visits again after the first of the year with a new program.

It's time I get back to preparations for the Rally ( Hillbilly Hoedown) I am looking forward to seeing you there. I would like to remind the chapters who have worked so hard to build up their membership that when you have four new members you receive a coupon for a free membership. Open houses are still going on and is an excellent way to have your chapter grow and when possible, have it published in your local paper.

Now, with a break from the HOT weather I think I will take" My Time" and go for a walk it's not only great exercise but a way to clear my mind and think of what I can do for the Rally to make it not only successful but fun. See you October 15<sup>th</sup> in New Caney.

Hugs, Jan
